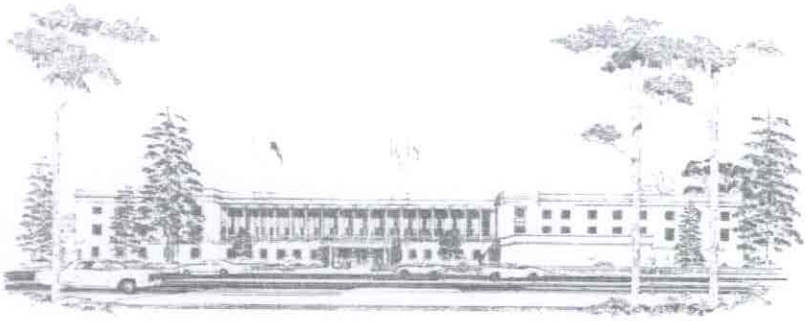
KMPC

Hal...Unfortunately the copy machine doesn't do the Esqy piece justice...but I think its enough to get the idea. I've taken the liberty of darkening up and outlining page 3 for total clarity...I've also arrowed page 5 for clarity. I'll be interested in your reactions...

Garrison wire copy same as the one I read to you...I've yet to find out about the outcome of it all...


Best to you and Lil...
